ROLLER
DOORS
belle

The door glides open and unlike hinged or bi-fold doors, the entire space in front of the door can be used.

In the kitchen appliances are ready to be used and out of sight when not in use.

The closed door gives an elegant streamlined appearance.

Belle Roller Doors are available in a wide range of laminates, vinyls, timbers and MDF.

Doors can be made in any size up to 2 metres x 2 metres.

Belle Roller Doors can be fitted with locks to provide additional security for your study, office and even home bar.
A remote controlled electric motor can also be fitted.

There are many places where a Belle Roller Door could be used.
