**6 WASH PROGRAMS**

The EDS14PFINTD dishwasher provides you with the choice of 6 different wash programs to ensure you select the best type of wash to suit your lifestyle.

**NEW WATER INLET & FILTER SYSTEM**

This latest design from Euro has an internal water inlet system to prevent water leaking. Compared to previous models, this dishwasher has a larger filter that collects and disperses dirty water much quicker, and also minimizes filter blockages.

**EXTRA DRYING SELECTION FUNCTION**

This dishwasher provides you with the extra drying option, which increases the temperature during the final rinse. Once this option is complete, your dishes are ready for storage.
